## Chippewa Harbor, MI

### **Harbor Features**

- Located on Isle Royale, an island in northwest Lake Superior, Chippewa Harbor is situated approximately 50 miles north of Michigan's Upper Peninsula shoreline.
- Authorization: Rivers & Harbors Acts of 2 Mar 1945, 17 Aug 1967
- Deep draft project, serving recreational use; provides an entrance channel connecting the inner and outer harbors
- Subsistence harbor
- Project depth of 14 feet
- Major stakeholders: U.S. Coast Guard, National Park Service, Michigan DNR, and a variety of recreational interests

### **Project Requirements**

- Requires infrequent maintenance dredging because of hard bottom channel

### **Consequences of Not Maintaining the Project**

- Loss of local jobs
- Loss of access to the National Park and other recreation opportunities in the area

### **Transportation Importance**

- This project serves as an important harbor of refuge and supports the National Park Service on Isle Royale as well as recreational boating.
- The navigation channel provides subsistence ferry service to Isle Royale from both Michigan and Minnesota harbor facilities that generates income from regional visitors to the area.
