

**US Army Corps
of Engineers®**

Little Bay De Noc Harbor, MI

Harbor Features

- Located in the northwest corner of Lake Michigan at the mouth of the Whitefish River, about 85 miles northeast of Green Bay, WI
- Authorization: Rivers & Harbors Act of 1962
- Deep draft harbor that serves recreational boating users and limited commercial users
- Project depth 24 feet
- 22,500 tons of material shipped and received in 2019
- Over 2,400 feet of maintained federal channel
- Major stakeholders: U.S. Coast Guard, charter fishermen, local recreational boating interests, and various marina owners

Project Requirements

- Naturally deep harbor; maintenance dredging is seldom required
- Last dredged in 1966

Consequences of Not Maintaining the Project

- Loss of local jobs
- Loss of recreational and charter fishing in the area

Transportation Importance

- This project serves charter fishing and recreational navigation interests.
- The local community has established significant infrastructure around the harbor facilities that generates income from harbor users and visitors to the area.
