

US Army Corps
of Engineers ®

Petoskey Harbor, MI

Harbor Features

- Located on the east shore of Lake Michigan about 50 miles south of the Straits of Mackinac
- Authorization: Rivers & Harbors Acts of 18 Aug 1894, and 13 Jun 1903
- No authorized navigational channel or project depth
- Recreational harbor
- Approximately 1,345 feet of breakwater
- Major stakeholders include the U.S. Coast Guard, city of Petoskey, Emmet County, Michigan DNR, and Michigan Boating Association.

Project Requirements

- A full reconstruction of the breakwater was completed in 2010 after a 2006 storm caused a partial failure of the old breakwater.
- Breakwater reconstruction was partially funded by the American Recovery and Reinvestment Act of 2009.
- Maintenance dredging is not currently required.

Consequences of Not Maintaining the Project

- Loss of jobs locally
- Loss of recreational and charter fishing in the area

Transportation Importance

- This project serves as an important harbor of refuge and supports charter fishing and recreational navigation interests.
- The local community has established a significant infrastructure around the harbor facilities that generates income from harbor users and visitors to the area.
