

Portage Lake Harbor, MI

Harbor Features

- Located on the east shore of Lake Michigan, 146 miles northeast of Chicago, IL and 40 miles north of Ludington, MI
- Authorization: Rivers & Harbors Act of 3 Mar 1879
- Recreational harbor
- Project depth is 18 feet, and currently maintained to 12 feet
- Over 2,000 feet of maintained federal channel, between Lake Michigan and Portage Lake
- More than 4,400 feet of maintained piers and revetments
- Dredged material is placed along the beach as beach nourishment.
- Major stakeholders include the U.S. Coast Guard, city (village) of Onekama, Michigan DNR, Michigan Boating Association, Portage Lake Harbor Commission, Three Harbor Marinas, and a variety of charter and sport fishing interests.

Project Requirements

- Approximately 22,000 cubic yards of material must be dredged on a 3 to 5 year cycle.
- The harbor was last dredged in 2018 with funds from 2017 structure repair package.
- Local community completed dredging of the federal channel in 2013 with funding from State of Michigan.
- The state of Michigan provided USACE with \$800,000 of contributed funds in 2016 to complete design of the project and partial repairs to the navigation structures.
- A contract for the north and south revetment repair was awarded in fall 2017 and construction is scheduled to be completed in the spring of 2020.
- Maintenance dredging is not currently required.

Consequences of Not Maintaining the Project

- Loss of jobs locally; the harbor supports approximately 200 jobs
- Loss of tourism, recreational and charter fishing in the area; the harbor supports 11 charter fishing boats and 4 commercial docking facilities
- Potential safety issues for recreational boating community if channel closes

Transportation Importance

- This project serves as an important harbor of refuge and supports charter fishing and recreational navigation interests.
- The local community has established a significant infrastructure around the harbor facilities that generates income from harbor users and visitors to the area.
- The project supports approximately 250 recreational boat slips with more than 500 private on-shore docks.
